Attachment to February 28, 1996 Disposal Suspension Notice

All records described below are covered by this disposal suspension:

1. For the period January 1, 1990 to the present, any and all records mailed by Philip Morris, its employees or its agents to members of the general public, including consumers, relating to any or all of the following issues:

   a. the health effects of cigarettes, nicotine or tobacco products;

   b. the effects of cigarettes, nicotine or tobacco products on the human body;

   c. the addictiveness of cigarettes, nicotine or tobacco products;

   d. Congressional hearings relating to Philip Morris or the tobacco industry;

   e. processes used by Philip Morris in the manufacture of cigarettes; and

   f. the level of tar or nicotine in cigarettes or tobacco products.

2. For the period January 1, 1990 to the present, any and all records provided to Philip Morris employees or agents for use in answering questions about any of the issues listed above in paragraphs 1 (a) through 1 (f) inclusive, including but limited to any and all scripts.
